Bérangère Gallais

Freelance Technical Writer & Ghostwriter
specializing in API, AI, and Documentation Engineering

PROFILE

I combine strong technical expertise (documentation architecture, automation, CI/CD integration) with advanced writing skills (clarity, pedagogy, storytelling).

I help tech and AI companies build premium, user-focused documentation, compliant with the AI Act.

EXPERIENCES

QA AUTOMATION ENGINEER

AssessFirst

2022 - 2025

PORTFOLIO

- **Neolens** – Intelligent medical imaging API documentation (Docusaurus) → Premium-style demo documentation: overview, quickstart, API endpoints, AI concepts, regulatory compliance, ethics, FAQ, troubleshooting.
- **Cognitia API** – AI text analysis API documentation (GitBook) → Fictitious SaaS-style project: developer guide, first API calls, sample OpenAPI file, FAQ, GitBook hosting.
- **Chatbot API** – Conversational API documentation (MkDocs) → Lightweight but structured docs: REST endpoints, multi-language examples, deployed with GitHub Pages.
- **Visionary.ai** – Image analysis API & mobile SDK documentation (Docusaurus) → Developer-focused documentation: API reference, SDKs, use cases, best practices.
